

EDUCATION SPONSORSHIP

MMHA will be holding several educational seminars and regional sales training seminars in 2022. MMHA strives to offer educational training that will keep members informed in all aspects of the industry. Through these seminars, MMHA offers its members and affiliates the opportunity to enhance their technical and educational skills in the industry to better equip them to be more competitive, productive, and profitable.

Education Seminars

We hold eight seminars throughout the year and invite guest speakers to discuss various topics. **In 2021 we trained over 705 people over eight education seminars and regional sales training events.**

Insurance and Sales Training Seminars

This year we will be focusing on sales, insurance, installation regulations, AML, SAR, Red Flag, and State Regulations. MMHA will be hosting three regional sales training seminars (Maybe virtual) for retailers across the state. We will offer our 12-hour insurance seminar in the spring. We will also offer 2 hours of sales and installation training at the MMHA Awards Event in May and the annual Multi-State Convention in July.
