Dear MMHA Members;

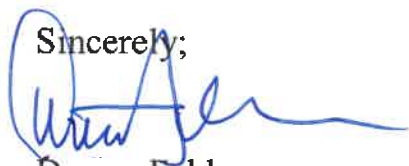

We are very excited about our upcoming annual MMHA PAC golf tournament which will be held on October 20th at the Castlewoods Golf Course. Each year our members enjoy coming and networking and playing a day of golf. We also have area bankers and local officials to attend. MMHA staff works very hard to develop a great golfing event for our Association and guests. I want to encourage each of you to help continue to maintain the tournament's integrity and the positive experience for our participants.

We certainly want you to have a great time, but remember that players come to play golf and some are quite good. We have always played by the honor system and hope we can continue to do so. It is important that all teams abide by the honor system and apply the appropriate scores to their cards.

The golf tournament is our annual fund raiser for our MMHA PAC. We welcome the area legislators and state wide officials to join us for lunch so members can visit with them. It gives an opportunity to thank them for their leadership as well as discuss any legislation pending.

I look forward to seeing each of you at the tournament and let's keep making it a positive experience for all who attend.

Sincerely;

Darren Felder
MMHA President
