MULTI-STATE CONVENTION

Join the Alabama, Louisiana, and Mississippi Manufactured Housing Associations for a celebration of our industry July 23-25, 2022, at the Perdido Beach Resort in Orange Beach, Alabama. This year the host state will be Louisiana and the theme is "Rising Tide".

An exciting convention has been planned that includes networking, educational, and entertainment opportunities for the whole family, at one of the most beautiful locations in the South! Don't you and your employees deserve to be a part of this year's most beneficial industry event?

Attached are the opportunities for different host and event sponsorships. The host sponsorship packages include various recognition levels for your company, as well as, complimentary registrations (for Gold/Silver). The benefit here is, with one company expense, you will be recognized by your industry friends from the three participating states. **Sponsors must fill out individual registrations for each person who will be attending the convention. Gold and Silver Host will also need to register attendees.**

We hope you will help us make this a successful multi-state convention by signing up to be a sponsor today!
